

# PLEASE NOTE

THE COUNCIL has hired JOHN SCOBIE, a professional arborist from Brandon, MB to spray all American and Siberian Elm trees in town.

**THIS IS TO PREVENT DUTCH  
ELM DISEASE in the future.**

He will be in town sometime between Oct 3-17, 2017- please let him spray your trees so we can save the trees in our community.

**Any questions- please contact the Town  
Office.**
