TRANSFER SITE HOURS AND REMINDERS

The Churchbridge Transfer Site is now on Winter Hours as of **October 10th**.

Winter Hours are:

Tuesday 1 p.m.—5 p.m.

Saturday 1 p.m.—5 p.m.

Transfer Site coupons may be purchased at the Town Office for \$15. Cash is accepted at the site. Each coupon will cover the equivalent of a 1/2 ton load of garbage/recycling. Anything over this will require an extra coupon (i.e. dump trailers). A reminder that furniture must be broken down as much as possible as it fills the dumpsters up very quickly otherwise. Household garbage, treated wood and recycling require coupons. Metal, electronics, and tree branches/yard waste are free to take and do not require a coupon. Yard waste must be loose or in paper bags, no plastic garbage bags will be permitted. You will be asked to empty the bags if you come with yard waste in plastic bags. Thank you for your cooperation.

STAFF

ADMINISTRATOR

Natasha Hykawy

FOREMAN

Kerry Prince

Walking/Cross Country Skiing

The Walking Path remains open during the winter months for users; however, a section of the path may be reserved and groomed for Cross Country Skiing. Please avoid walking on groomed sections of the path. We appreciate everyone's cooperation and consideration of ALL winter path users.

ATV/Snowmobile Bylaw

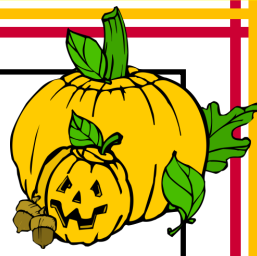

A reminder that our ATV/Snowmobile bylaw states that snowmobiles may be operated within town limits but ONLY to exit or enter town limits by the most direct route. Snowmobiles are not permitted on the highway except to cross it.

Snow Removal

Public Works staff follows a pre-set snow removal route. Alterations to the route may be made at the foreman's discretion for emergencies or Town needs. Best efforts will be made to clear streets overnight; however, if it is actively storming snow removal may be delayed until the storm slows. Avoid parking on the street or leaving bins at the street if a heavy snowfall is expected or starting as this impedes snow removal. Best efforts are made to leave minimal ridges; however, it can not always be completely avoided particularly during a heavy snowfall. Please refrain from waving down staff during snow clearing; this only slows them down and give equipment plenty of room to work. Please direct issues or inquiries to the Town Office.

CBA Christmas Banquet

The CBA Community Christmas Banquet will be held November 27th at the Community Hall. More information will be made available on ticket sales soon.

School Zone

Kids are back in school so a reminder to observe the school speed zone and be mindful in the mornings and afternoons of children walking or biking to/from school.

Forever in Motion Program

The Hall is open again for walking Monday—Friday from 8:30 a.m. to 2 p.m. for anyone interested in a way to keep active indoors during the winter months. We ask that participants bring an extra pair of shoes and refrain from wearing wet or muddy footwear into the Hall. The Hall will not be open Holidays, during all-day bookings, or Town Office Closures. These dates will be posted.

Utility Bills/Property Taxes

Utility Bills and 2026 Property Taxes are due December 31st. Unpaid utility and tax amounts as of January 1st are subject to a 10% interest charge. Please contact the Town Office if you are unsure if you have an outstanding balance on accounts.

Thank You Volunteers

A huge thank you as always to our many amazing volunteers who make so many things possible in our community. It is almost impossible to thank everyone who makes a difference in our town without missing someone, not to mention the many that offer their help quietly and under the radar. Please know it does not go unnoticed when community members go that extra distance to clean up an area, join a committee and lend their time, or help out with various things around town.

Thank You Grantors and Donors

Thank you to the Community Initiatives Fund for a grant of \$7500 to the Summer Days Program.

Thank you the Canada Summer Jobs grant program for a grant of \$12500 to our seasonal staffing program.

Thank you to Nutrien for a donation of \$500 to the Summer Days Program.

Thank you to the Churchbridge Credit Union for donations of \$141 to the Pool and \$100 to the Summer Days Program.

Thank you to Family and Friends for a grant of \$3000 to the Cemetery Committee for a new gate.

Thank you to the Churchbridge Lions club and Churchbridge Community Club for their donations of \$300 each to Churchbridge in Bloom.

Thank you to all the business and individuals that donated prizes to the Moving in May fundraisers and supported it and to Jocelyn Griffin for all of her time organizing the month long fundraiser.
